

Engineering
company
ready!

First
infantry
company
ready!

First
tank
platoon
ready!

First
special
battalion
ready!

Colonel Kwon,
the first
company is ready!

There is a risk
of the special
area's harmful
elements
attacking,
remember
vigilant
of your
surroundings!

Danger,
colored
Troop.

Our second
destination is the
Tibet fortress
near the border
with
the U.S. kingdom!

Our first
destination
is the Gassan river
crossing site in the
suburbs of Gassan!

First
company,
move out!

Move
out
!

Go!

フ フ フ

created and
moved by
people?

Are all of
these
armored
iron beasts...

It's not
just the
fiery
dragon.

We don't
know how
much longer
we can go on.

this valley
we now
depend
on floods
whenever
it rains.

We believed
that may be
the end
for us.

We have I
lost many
brothers in
the 2 months
you were
gone.

you
have
returned
at last.

Y
o
o

Of course.

Yes.

do you remember the reason you departed?

I sought out the "men in green" and brought one.

What is it?

I would like to say something before that

Did something unforgivable to that person...

I

Where is this person?

Well done.

Oh, did you truly?

Please wait.

worry so much about it?

Yes, why do you

you blame yourself

I was, after all, your deeds in Alnus.

you may break rules and endanger yourself for a friend.

but with compassion and sympathy.

but-

you may abandon another in the face of danger.

With wisdom and consideration

Um...

Huh?

Huh? Ah, yes, he intends to reveal everything when they encounter it

This "man in green" is concealing the flame dragon from this elf named Tuka, correct?

But I must.

You may be proud of your achievement.

You, your deed is fine, for us it is a virtue to even run your reputation as you try everything.

However, I.

Your reason may not cross the reason, but that is no reason to worry.

If it were us, we would have made the same choice.

Please leave it to me.

How?

Your
sins
will
pile up.

are you
thinking
that

it's merely
one
order?

This
is
your
body.

To truly atone,
your trials will
be difficult.
you alone won't
be able to do it.

It
may seem
like
atonement.

but
you're merely
running
away

Many others
have suffered
because
of
the flame
dragons.

we can show
our gratitude,
and the army can
regain its honor

The
"man in green"
left his army
and
came here,
correct?

We will
provide
rewards
for killing
the flame
dragons
of course.

What
can
we do?

Hai

and killed your father!

your
Father isn't dead.

And I don't have a daughter.

I'm not your father, I'm just some random man.

Where is my father?!

Tuka!

No!

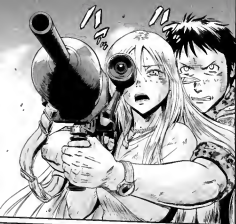

Nooo!

She'll
remember
what he
did at last time.

Just
shoot!

Woah!

Aw man,
I wanna try
fishing
here.

Woah,
that's
a big
fish.

Wait,
don't
shoot!

What?

What?

Is it an
enemy
attack?

Colonel,
they're
coming
from-

What?
What
is that?

What's
going
on?

and are
demanding
compensation.

What
on
earth...

They
seem to be
complaining
that our ship
scared away
the fish,

Are
you
sure
about
that?

Just
what
I
need!

Can we
borrow from
the Dubai
FX branch?

This is
troublesome,
do we offer
them money?

Oh,
that
much
is
nothing.

will this
be enough
for a few
days?
Open the
top.

Dear
dealers,

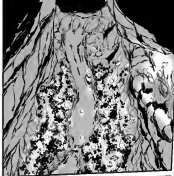

Now is the
time,
my brethren,
gather here
and we
shall unite
the flame
dragons and
return
to our forest

And as brethren
gather
to
unite
the
flame
dragons
and
return
to
our
forest

And as brethren
gather
to
unite
the
flame
dragons
and
return
to
our
forest

And as brethren
gather
to
unite
the
flame
dragons
and
return
to
our
forest

If anything,
this is
all that
remains...

No.

To think
so many
more were
still alive...

feel free
to order
me as
you
please.

Sir
Itami,
I belong
to you,

This
isn't
good,

it might
not
hold up.

I'm not
fond of being
beaten to
a death.

I'd
prefer
to get it
over with
fast.

It was
pretty
pathetic to
get knocked
around like that.

That thing
has quite
the temper.

It's fine.

I didn't come
for you guys
after all.

We are
grateful
for your
coming to this
ruined valley.

Your
holiness.

Don't
you
know

that I
refuse to go
underground?

We've
prepared food,
please. I understand
some mode.
